

## AAUW's Mission

AAUW promotes equity for all women and girls, lifelong education, and positive societal change.

In principle and practice, AAUW values and seeks a diverse membership. There shall be no barriers to full participation in the organization on the basis of gender, race, creed, age, sexual orientation, national origin, disability or class.

## AAUW's Public Policy Principles

True equity requires a balance between the rights of the individual and the needs of the community.

AAUW: supports constitutional protection for the civil rights of all individuals; believes that quality public education is the foundation of a democratic society; promotes the economic, social, and physical well-being of all persons; values and is committed to the arts and humanities; and believes that global interdependence requires national and international policies that promote peace, justice and human rights.
